

**Project: Track, Right of Way and Pipeline Survey**

**Location: St. Bernard, Ohio**

**Client: Davis Patrikios Criswell, Inc**

Baumann Land Survey, Inc. performed a route survey of the horizontal and vertical alignment of a BP pipeline as it crossed through the Norfolk Southern Railway Company lands in St. Bernard, Ohio. Baumann Land Survey, Inc coordinated the efforts of BP Pipelines employees marking the pipeline, and SUE contractors performing GPR and pothole excavations of the pipeline and compiled these locations with data acquired by both total stations, Static and network RTK GPS, 3D Laser scanning, and smart tool run data provided by BP. Legal descriptions of the pipeline alignment through Norfolk Southern Railway Company lands were also created.
