Project: Central Utility Plant Building University of Cincinnati, Clermont Campus

Location: Batavia, Ohio

Client: FTC&H

Date: October 2016

Baumann Land Survey, Inc. performed a topographic survey to provide base mapping and surface model for the proposed Central Utility Plant Building, on the University of Cincinnati Clermont Campus. Using traditional surveying equipment and 3D laser scanning and modeling, existing topographic features, utility and structures were located and AutoCAD Civil 3D drawing files were provided to the client.
